Dear Dr. Laine:

John L. Clayton, Director of the Department of Economic Security, has asked me to respond to your letter to Governor Jane Dee Hull. I assure you that the Division of Child Support Enforcement (DCSE) attempts to respond to all requests for information as quickly as possible.

A review of this case indicates DCSE closed your case on of September 9, 1999. On September 9, 1999 DCSE received a request from the Tennessee child support office, requesting Arizona to withdraw all enforcement action, send a payment history, and to close the case. DCSE has no interest in this case and all enforcement activities have ceased.

Please find the included copy of the payment history DCSE sent to Tennessee. You may want to contact the Tennessee child support agency to verify your account status. You can contact the Anderson County Child Support Division, P.O. Box 6197, Oak Ridge, TN 37831-3814, or call the representative, Devonne Moore, at phone number: (423) 482-6001.

Sincerely,

Nancy Mendoza
Assistant Director
