Based on the records of the Missouri Division of Child Support Enforcement (DCSE), the DCSE Director finds that:

<u>Name</u>	Amanda Laine	<u>Date of Birth</u>	9-20-1978

- \$ 0.00 for the state debt judgment; and
- \$ 0.00 for the arrearage judgment for a

4. According to the above-referenced support order, Respondent is required to provide medical support as follows:

OBLIGOR SHALL PROVIDE INSURANCE FOR THE CHILDREN WHEN AVAILABLE AT A REASONABLE COST.

5. Since the above-mentioned support order was entered:

Both children are emancipated. This is an arrears only case.

Pursuant to Section 454.476, RSMo, the DCSE Director may enter this administrative order in accordance with the above-mentioned support order, and **it is therefore ordered that:**

A. Respondent must pay to the **Family Support Payment Center, PO Box 109002, Jefferson City, MO 65110-9002** as trustee for Petitioner(s), beginning on _____, the payment(s) listed below:

- \$ 0.00 for current child support;
- \$ 0.00 for current spousal support;
- \$ 0.00 for periodic medical support; and/or
- \$ 13491.00 for the balance of the medical support judgment, state debt judgment, arrearage judgment, interest debt (if included in paragraph 3) or past-due support for a
- \$ 13491.00 total

B. Current child support payments are due until further order of the court or until the child(ren)'s right to support ends, by operation of Missouri law or the law in the state where the original order was entered.

C. Respondent must provide medical support as described in paragraph 4 on the previous page.

PLEASE NOTE: DCSE may intercept any federal or state income tax refunds to which Respondent may be entitled. DCSE may apply the intercepted amount to the balances noted above. Failure to make one or more timely payments as stated above will result in other enforcement action to collect the entire amount of the past-due balances. Interest may accrue on past-due payments according to the appropriate state's law. According to Missouri law, simple interest at the rate of 1 percent per month accrues on all past-due child and spousal support payments. (Section 454.520, RSMo)
