Re: Mary Ann Phillips-Jarnigan (aka Mary Jarnigan or Mary Ann Jarnigan) vs Anthony Laine
Case No: 000112287

To Whom It May Concern:

I am interested in obtaining certified copies of most if not all documents listed under the above referenced case number. Of particular interest would be a document entitled Final Administrative Order that was allegedly filed in your court in July 1999 stating the above referenced parties as litigants. The "amended" version of this "order" states the above referenced case number belongs to a child support case that was allegedly filed in 1991 against myself on behalf of Mary Ann Jarnigan in Anderson County, Tennessee. I would be interested in obtaining a certified copy of this document and copies of all other documents which may be in this file, some certified and some not.

Please let me know the cost of certification and an approximate time frame in which I could expect to receive these copies. Please also let me know what the approximate cost would be to obtain only copies (not necessarily certified) of all documents in this file. Time is of the essence as there is a legal matter pending in this case at this time. Thank you for your time and any consideration shown.

Sincerely,

Anthony W. Laine
