Dear Dr. Laine:

I have received your letter of April 25, 2005 where you are requesting an investigation by the Judicial Conduct Committee.

You should be aware, as you were served with notice prior to your release from the jail, that on May 4, 2005 at 9:45 a.m. we have made arrangements for a hearing officer to review your file in your presence to attempt to finalize exactly what is owed to Tennessee. Whether Maricopa, Tennessee exists or does not exist is not a question. The question is whether or not child support is owed as arrearages for your children. We have been served with documentation indicating that the matter is due and owing. Our officers have been in touch with Tennessee and we have confirmed that this is outstanding.

In order to avoid unnecessary stress and strain on all parties, please come prepared with only the documents that are necessary to prove your claim that your obligation does not exist. Please do not overwhelm the officer with unnecessary paperwork. This matter is listed in an effort to have your voice heard in the appropriate forum.

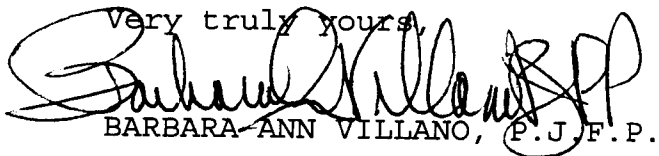

At the time of your hearing before Judge Millard, all of our information was that the money was owed and that you had an ability to pay it. There is nothing "shabby" about the Courts acting to enforce child support obligations. The May 4<sup>th</sup> hearing will give your opportunity to present

your paperwork. I have also advised the hearing officer to ensure that there is a representative in Tennessee available by phone if questions should arise.

I trust you will be present on May 4, 2005 at 9:45 a.m. with only the appropriate documents. I ask that you present those in a respectful and appropriate fashion to the hearing officer so that once and for all we can make every effort to hear and adjust this account appropriately.

Thank you for your attention.

Very truly yours,

BARBARA-ANN VILLANO, P.J.F.P.
